## TS 410 STIHL Cutquik® Professional Cut-Off Machine Professional User

There are no easy jobs in the construction and deconstruction business, but when it comes to cutting performance there is one easy choice: the TS 410 STIHL Cutquik® cut-off machine with a 12" cutting wheel. Featuring the X2 air filtration system and an anti-vibration system, this cut-off machine is comfortable to use and easy to maintain. Thanks to patented advancements, the TS 410 keeps working longer than the legendary TS 400 — helping you stay on schedule.

NOTE: Abrasive wheel included. Diamond wheel (shown) sold or hired separately.

### Standard Features:

- X2 low maintenance air filtration system
- Anti-vibration system reduces vibration up to 43% over previous models
- Powerful and fuel-efficient, low-emission engine
- Emissions reduced up to 44% compared to previous models
- IntelliCarb™ compensating carburetor
- Lightweight and well balanced compact top-handle design
- Decompression valve for easy starting
- Semi-automatic belt tensioner
- Reversible cutting arm for inboard or outboard cutting
- Able to be mounted on cart with adapter kit
- Integrated water attachment
